Music News About Newfangled Fest, Atlanta Songwriters Series, City Skies 08 Events, electro-music Festival 2008, Different Skies Festival 2008, Athens Popfest 2008, Richard Lainhart

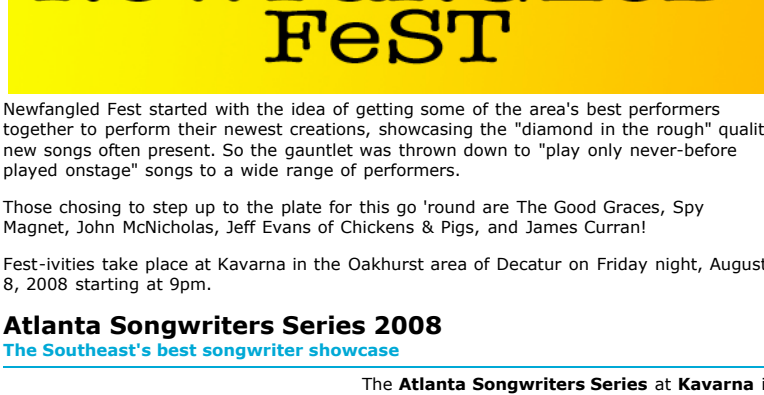

Dear Jim,

It's hot and humid in Atlanta. We've luckily been getting a bunch more rain this summer which is good for the drought conditions we've suffered for several years, but it turns the place into a steambath of metro-sized proportions. Add in all the musical doings in our region, and, well, it's just hot.

August is chock full of great music festivals and events. There's always some good music at Kavarna, including this year's Newfangled Fest. The Athens Pop Fest is in August in Athens, obviously. The electro-music Festival 2008 is happening in August in Kingsport, TN.

And a little further out, Different Skies 2008 is out in Arizona in September. And the City Skies Electronic Music events start again in October with monthly performances of the electronic kind. In November, City Skies will host Buchla 200e virtuoso Richard Lainhart.

I'll be performing at all of the above either solo as *Sensitive Chaos* (ambient drum'n'bass), as part of Klimchak's and my duo *Bribing The Buddha* (ambient experimental), as part of Kim Ware's *The Good Graces* with John McNicholas (alt folk), or as part of the 20 person synth orchestra at Different Skies (space music). It will all be fun. Come out and see it!

Newfangled Fest Hits Kavarna August 8, 9pm

Brand spanking new songs from great performers

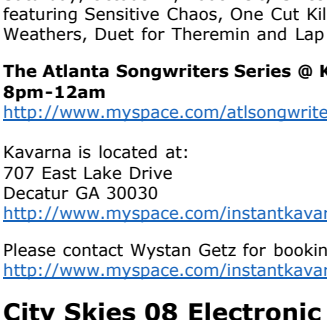

Newfangled Fest started with the idea of getting some of the area's best performers together to perform their newest creations, showcasing the "diamond in the rough" quality new songs often present. So the gauntlet was thrown down to "play only never-before played onstage" songs to a wide range of performers.

Those choosing to step up to the plate for this go 'round are The Good Graces, Spy Magnet, John McNicholas, Jeff Evans of Chickens & Pigs, and James Curran!

Fest-ivities take place at Kavarna in the Oakhurst area of Decatur on Friday night, August 8, 2008 starting at 9pm.
